

# SODIUM CHLORIDE, 5.0M SOLUTION (DEPC TREATED) Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Revision date: 07/22/2014 Version: 1.0

| SECTION 1: Identification of the  | substance/mixture and of the co  | ompany/undertakin          | g                                     |
|---|--|----------------------------|---------------------------------------|
| 1.1. Product identifier   |  |                            |                                       |
| Product form  | : Substance  |                            |                                       |
| Trade name  | : SODIUM CHLORIDE, 5.0M SOLU   | JIION (DEPC TREATED)       | )                                     |
| Product code  | : AB13198  |                            |                                       |
|   | substance or mixture and uses advised  | •                          |                                       |
| Use of the substance/mixture  | : Laboratory use/Manufacturing co  | nponent/Research           |                                       |
| 1.3. Details of the supplier of the sa  | ifety data sheet   |                            |                                       |
| AmericanBio, Inc.<br>15 Erie Dr.<br>Natick, MA 01760 - USA<br>T 800.443.0600 - F 508.655.2754<br>info@americanbio.com - www.americanbio | .com   |                            |                                       |
| 1.4. Emergency telephone number   |  |                            |                                       |
| Emergency number  | : 855.835.2572 (U.S.) :: 760.602.87  | 703 (Outside U.S.)         |                                       |
| SECTION 2: Hazards identification   | on   |                            |                                       |
| 2.1. Classification of the substance  |  |                            |                                       |
| Classification (GHS-US)<br>Not classified   |  |                            |                                       |
| 2.2. Label elements   |  |                            |                                       |
| GHS-US labeling   |  |                            |                                       |
| No labeling applicable  |  |                            |                                       |
| 2.3. Other hazards  |  |                            |                                       |
| No additional information available   |  |                            |                                       |
| 2.4. Unknown acute toxicity (GHS-U  | JS)  |                            |                                       |
| No data available   |  |                            |                                       |
| <b>SECTION 3: Composition/inform</b>  | ation on ingredients   |                            |                                       |
| 3.1. Substance  |  |                            |                                       |
| Trade name  | : SODIUM CHLORIDE, 5.0M SOLU   | JTION (DEPC TREATED)       | )                                     |
| Name  | Product identifier   | %                          | Classification (GHS-US)               |
| water, reagent grade, usp purified  | (CAS No) 7732-18-5   | 70 - 80                    | Not classified                        |
| sodium chloride   | (CAS No) 7647-14-5   | 20 - 30                    | Not classified                        |
| Full text of H-phrases: see section 16  |  |                            |                                       |
| 3.2. Mixture  |  |                            |                                       |
| Not applicable  |  |                            |                                       |
| SECTION 4: First aid measures   |  |                            |                                       |
| 4.1. Description of first aid measure   | es   |                            |                                       |
| First-aid measures general  | : Never give anything by mouth to a (show the label where possible).                                     | an unconscious person. If  | you feel unwell, seek medical advic   |
| First-aid measures after inhalation   | : Assure fresh air breathing. Allow  | the victim to rest.        |                                       |
| First-aid measures after skin contact   | : Remove affected clothing and wa<br>warm water rinse.   | sh all exposed skin area v | with mild soap and water, followed by |
| First-aid measures after eye contact  | : Rinse immediately with plenty of water. Obtain medical attention if pain, blinking or redness persist. |                            |                                       |
| First-aid measures after ingestion  | : Rinse mouth. Do NOT induce von   | niting. Obtain emergency   | medical attention.                    |
|   |  |                            |                                       |
| 07/24/2014  | EN (English US)  |                            | Page 1                                |

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| 4.2.     | Most important symptoms and effect        |  |
|----------|---|--|
| Sympto   | ms/injuries                               | : Not expected to present a significant hazard under anticipated conditions of normal use.   |
| 4.3.     | •   | attention and special treatment needed   |
| No add   | tional information available              |  |
| SECT     | ION 5: Firefighting measures              |  |
| 5.1.     | Extinguishing media                       |  |
|          | extinguishing media                       | : Foam. Dry powder. Carbon dioxide. Water spray. Sand.   |
| Unsuita  | ble extinguishing media                   | : Do not use a heavy water stream.   |
| 5.2.     | Special hazards arising from the sub      | stance or mixture  |
| Fire haz | zard                                      | : Combustible liquid.  |
| Explosi  | on hazard                                 | : May form flammable/explosive vapor-air mixture.  |
| 5.3.     | Advice for firefighters                   |  |
| Firefigh | ting instructions                         | : Use water spray or fog for cooling exposed containers. Exercise caution when fighting any  |
| Protecti | on during firefighting                    | <ul><li>chemical fire. Avoid (reject) fire-fighting water to enter environment.</li><li>Do not enter fire area without proper protective equipment, including respiratory protection.</li></ul>                      |
| TIOLOGI  |   |  |
| SECT     | ION 6: Accidental release meas            | ures   |
| 6.1.     | Personal precautions, protective equ      | lipment and emergency procedures   |
| Genera   | I measures                                | : Remove ignition sources. Use special care to avoid static electric charges. No naked lights. No smoking.   |
| 6.1.1.   | For non-emergency personnel               |  |
| Emerge   | ency procedures                           | : Evacuate unnecessary personnel.  |
| 6.1.2.   | For emergency responders                  |  |
| Protecti | ve equipment                              | : Equip cleanup crew with proper protection.   |
| Emerge   | ency procedures                           | : Ventilate area.  |
| 6.2.     | Environmental precautions                 |  |
| Prevent  | entry to sewers and public waters. Notify | authorities if liquid enters sewers or public waters.  |
| 6.3.     | Methods and material for containme        | nt and cleaning up   |
| Method   | s for cleaning up                         | : Soak up spills with inert solids, such as clay or diatomaceous earth as soon as possible. Collect spillage. Store away from other materials.   |
| 6.4.     | Reference to other sections               |  |
| See He   | ading 8. Exposure controls and personal   | protection.  |
| SECT     | ION 7: Handling and storage               |  |
| 7.1.     | Precautions for safe handling             |  |
| Additior | nal hazards when processed                | : Handle empty containers with care because residual vapors are flammable. Keep away from sparks/open flames No smoking.   |
| Precaut  | ions for safe handling                    | : Wash hands and other exposed areas with mild soap and water before eat, drink or smoke and when leaving work. Provide good ventilation in process area to prevent formation of vapor. No naked lights. No smoking. |
| 7.2.     | Conditions for safe storage, includin     | g any incompatibilities  |
| Technic  | al measures                               | : Proper grounding procedures to avoid static electricity should be followed.  |
| Ū        | conditions                                | : Keep only in the original container in a cool, well ventilated place away from : Direct sunlight.<br>Keep container closed when not in use. Keep in fireproof place.   |
| Incomp   | atible products                           | : Strong bases. strong acids.  |
| 7.3.     | Specific end use(s)                       |  |
| No add   | tional information available              |  |
| SECT     | ION 8: Exposure controls/perso            | onal protection  |
| 8.1.     | Control parameters                        |  |

No additional information available

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| 8.2. Exposure controls        |   |
|-------------------------------|---|
| Personal protective equipment | : Avoid all unnecessary exposure.         |
| Hand protection               | : Wear protective gloves.                 |
| Eye protection                | : Chemical goggles or safety glasses.     |
| Respiratory protection        | : Wear approved mask.                     |
| Other information             | : When using, do not eat, drink or smoke. |

#### SECTION 9: Physical and chemical properties

| 9.1. Information on basic physical and ch   | e | mical properties  |
|---|---|-------------------|
| Physical state                              | : | Liquid            |
| Color                                       | : | Colorless.        |
| Odor  | : | characteristic.   |
| Odor threshold                              | : | No data available |
| рН  | : | No data available |
| Relative evaporation rate (butyl acetate=1) | : | No data available |
| Melting point                               | : | No data available |
| Freezing point                              | : | No data available |
| Boiling point                               | : | No data available |
| Flash point                                 | : | No data available |
| Self ignition temperature                   | : | No data available |
| Decomposition temperature                   | : | No data available |
| Flammability (solid, gas)                   | : | No data available |
| Vapor pressure                              | : | No data available |
| Relative vapor density at 20 °C             | : | No data available |
| Relative density                            | : | No data available |
| Solubility                                  | : | No data available |
| Log Pow                                     | : | No data available |
| Log Kow                                     | : | No data available |
| Viscosity, kinematic                        | : | No data available |
| Viscosity, dynamic                          | : | No data available |
| Explosive properties                        | : | No data available |
| Oxidizing properties                        | : | No data available |
| Explosive limits                            | : | No data available |

#### 9.2. Other information

No additional information available

### SECTION 10: Stability and reactivity

**10.1. Reactivity** No additional information available

10.2. Chemical stability

Not established. Combustible liquid. May form flammable/explosive vapor-air mixture.

#### 10.3. Possibility of hazardous reactions

Not established.

10.4. Conditions to avoid

Direct sunlight. Extremely high or low temperatures. Open flame. Overheating. Heat. Sparks.

10.5. Incompatible materials

strong acids. Strong bases.

10.6. Hazardous decomposition products

fume. Carbon monoxide. Carbon dioxide. May release flammable gases.

#### SECTION 11: Toxicological information

11.1. Information on toxicological effects

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| Acute toxicity                                      | : Not classified   |  |
|---|--|--|
| sodium chloride (7647-14-5)                         |  |  |
| LD50 oral rat                                       | 3000 mg/kg (3550 mg/kg bodyweight; Rat; Rat; Experimental value; Experimental value,3550 mg/kg bodyweight; Rat; Rat; Experimental value; Experimental value) |  |
| LD50 dermal rabbit                                  | > 10000 mg/kg (Rabbit; Experimental value, Rabbit; Experimental value)   |  |
| Skin corrosion/irritation                           | : Not classified   |  |
| Serious eye damage/irritation                       | : Not classified   |  |
| Respiratory or skin sensitization                   | : Not classified   |  |
| Germ cell mutagenicity                              | : Not classified   |  |
| Carcinogenicity                                     | : Not classified   |  |
| Reproductive toxicity                               | : Not classified   |  |
| Specific target organ toxicity (single exposure)    | : Not classified   |  |
| Specific target organ toxicity (repeated exposure)  | : Not classified   |  |
| Aspiration hazard                                   | : Not classified   |  |
| Potential Adverse human health effects and symptoms | : Based on available data, the classification criteria are not met.  |  |

#### SECTION 12: Ecological information

12.1. Toxicity

| sodium chloride (7647-14-5) |  |
|-----------------------------|--|
| LC50 fish 1                 | 11100 mg/l 96 h; Salmo gairdneri (Oncorhynchus mykiss) |
| EC50 Daphnia 1              | 1000 mg/l (48 h; Daphnia magna)                        |
| LC50 fish 2                 | 5840 mg/l (96 h; Lepomis macrochirus)                  |
| EC50 Daphnia 2              | 340.7 mg/l (48 h; Daphnia magna)                       |
| Threshold limit algae 1     | 4967 mg/l (72 h; Algae; Inhibitory)                    |
| Threshold limit algae 2     | 2430 mg/l (120 h; Algae)                               |

#### 12.2. Persistence and degradability

| SODIUM CHLORIDE, 5.0M SOLUTION (DEPC TREATED) |   |  |
|---|---|--|
| Persistence and degradability                 | Not established.  |  |
| sodium chloride (7647-14-5)                   |   |  |
| Persistence and degradability                 | Biodegradability: not applicable. No (test)data on mobility of the substance available. |  |
| Biochemical oxygen demand (BOD)               | Not applicable  |  |
| Chemical oxygen demand (COD)                  | Not applicable  |  |
| ThOD  | Not applicable  |  |
| BOD (% of ThOD)                               | Not applicable  |  |

#### 12.3. Bioaccumulative potential

| SODIUM CHLORIDE, 5.0M SOLUTION (DEPC TREATED) |  |  |
|---|--|--|
| Bioaccumulative potential                     | Not established.                                 |  |
| sodium chloride (7647-14-5)                   |  |  |
| Log Pow                                       | -3.0 (Calculated)                                |  |
| Bioaccumulative potential                     | Low potential for bioaccumulation (Log Kow < 4). |  |

#### 12.4. Mobility in soil

No additional information available

#### 12.5. Other adverse effects

Other information

: Avoid release to the environment.
